Yeah

I know sometimes things may not always make sense
to you right now

But hey, what daddy always tell you?

Straighten up little soldier

Stiffen up that upper lip

What you crying about?

You got me

Hailie, I know you miss your mom and I know you miss
your dad

Well I'm gone but I'm trying to give you the life that I
never had

I can see you're sad, even when you smile, even when
you laugh

I can see it in your eyes, deep inside you wanna cry

Cuz you're scared, I ain't there

Daddy's with you in your prayers

No more crying, wipe them tears

Daddy's here, no more nightmares

We gon' pull together through it, we gon' do it

Laney, uncle's crazy, ain't he?

Yeah, but he loves you girl, and you better know it

We're all we got in this world

When it spins, when it swirls

When it whirls, when it twirls

Two little beautiful girls

Lookin' puzzled, in a daze

I know it's confusing you

Daddy's always on the move, mamma's always on the
news

I try to keep you sheltered from it but somehow it
seems

The harder that I try to do that, the more it backfires on
me

All the things growing up his daddy that he had to see
Daddy don't want you to see but you see just as much
as he did

We did not plan it to be this way, your mother and me

But things have gotten so bad between us

I don't see us ever being together ever again

Like we used to be when we was teenagers
But then of course everything always happens for a
reason
I guess it was never meant to be
But it's just something we have no control over and
that's what destiny is
But no more worries, rest your head and go to sleep
Maybe one day we'll wake up and this will all just be a
dream

Now hush little baby, don't you cry
Everything's gonna be alright
Stiffen that upper lip up little lady, I told ya
Daddy's here to hold ya through the night
I know mommy's not here right now and we don't know
why
We feel how we feel inside
It may seem a little crazy, pretty baby
But I promise momma's gon' be alright

It's funny, I remember back one year when daddy had
no money
Mommy wrapped the Christmas presents up
And stuck 'em under the tree and said some of 'em
were from me
Cuz daddy couldn't buy 'em
I'll never forget that Christmas, I sat up the whole night
crying
Cuz daddy felt like a bum, see daddy had a job
But his job was to keep the food on the table for you
and mom
And at the time every house that we lived in
Either kept getting broken into and robbed
Or shot up on the block and your mom was saving
money for you in a jar
Tryna start a piggy bank for you so you could go to
college
Almost had a thousand dollars till someone broke in
and stole it
And I know it hurt so bad, it broke your momma's heart
And it seemed like everything was just startin' to fall
apart
Mom and dad was arguin' a lot so momma moved back
On the Chalmers in the flat, one bedroom apartment
And dad moved back to the other side of 8 Mile on
Novara
And that's when daddy went to California with his CD
and met Dr. Dre
And flew you and momma out to see me
But daddy had to work, you and momma had to leave
me

Then you started seeing daddy on the T.V. and
momma didn't like it
And you and Laney were too young to understand it
Papa was a rollin' stone, momma developed a habit
And it all happened too fast for either one of us to grab
it
I'm just sorry you were there and had to witness it first
hand
Cuz all I ever wanted to do was just make you proud
Now I'm sittin in this empty house, just reminiscing
Lookin' at your baby pictures, it just trips me out
To see how much you both have grown, it's almost like
you're sisters now
Wow, guess you pretty much are and daddy's still here
Laney, I'm talkin' to you too, daddy's still here
I like the sound of that, yeah
It's got a ring to it, don't it?
Shh, momma's only gone for the moment

Now hush little baby, don't you cry
Everything's gonna be alright
Stiffen that upper lip up little lady, I told ya
Daddy's here to hold ya through the night
I know mommy's not here right now and we don't know
why
We feel how we feel inside
It may seem a little crazy, pretty baby
But I promise momma's gon' be alright

And if you ask me too
Daddy's gonna buy you a mockingbird
I'ma give you the world
I'ma buy a diamond ring for you
I'ma sing for you
I'll do anything for you to see you smile
And if that mockingbird don't sing and that ring don't
shine
I'ma break that birdies neck
I'd go back to the jeweler who sold it to ya
And make him eat every carat, don't **** with dad
(haha)
