I won't pretend tonight
That what I did was right
I know I broke your heart
I tore it all apart

Do you believe in destiny
And second chances?

Stay tonight
Let the moment be forever
I don't wanna force your heart to

Stay tonight
If we make it last together
Everything is gonna be alright

I know the table's turned
I felt my fingers burn
And if you let me go
I'm just a fragile soul

Do you believe in destiny
And second chances?

Stay tonight
Let the moment be forever
I don't wanna force your heart to

Stay tonight
If we make it last together
Everything is gonna be alright

Stay tonight
Let the moment be forever
I don't wanna force your heart to

Stay tonight
If we make it last together
Everything is gonna be alright

Stay tonight

Stay
Forever
