[Intro]

Hey what up Felli.
Knock out.
Yo like I say Ray J LA stand up.
Yeah West coast

[Chorus: Ray J] (x2)

We gon' party till the early morn.
When the Lakers bring the trophy home.
We got that California purple gold.
And F them Laker haters cause we down with the
greatest

[Ice Cube:]

Cleveland or Boston,
Cleveland or Boston
Glad we playin' Boston put they ass in a coffin
Watch Kobe Bryant off em in the finals so often,
Always on fire.
Keep 'em chunkin' an coughin' off that California
purple.
That Laker purple in the air, c'mon everybody
Paul Pierce need his wheelchair.
Third year still there, this will be my third,
My style's like Magic Johnson, yours is like, Larry Bird?
Overrated nerd, but dis ain't the 80s man,
We got Ron Artest, don't you know, he's a crazy man!
Defense all crazy man! This ain't no lazy man!
All up in your jersey like the ghost of James Worthy.
You ain't worthy to hold up that championship trophy
Rollin down Figueroa on the bus with Kobe,
Don't ask my ring size, you already know it,
I got a drawer full, I might as well throw it.
I'm down on the floor, I'm in my suite
It's goin' be sweet to watch the Lakers, repeat,
I'm down on the floor,
I'm in my suite, yell beat LA and get Boston beat.
Cleveland or Boston
Cleveland or Boston
Glad we playin' Boston put they ass in a coffin
Watch Kobe Bryant off em in the finals so often

Always on fire.
Keep em chunkin' an coughin'
Off that California purple.
Off that
Off that
Off that
Off that California purple.
Off that
Off that
Off that
Off that California purple
Off that
Off that
Off that
Off that California purple
Off that
Off that
Off that

[Snoop Dogg:]

I can't stand Boston I hate them since the 80's
Ask Jack Nicholson, he'll tell you who the greatest is
Fish and chips let it drip, triangles to flip the script
Andrew Bynum on the tip, L.A. we lovin' it!
Quick burn, chick hurn rest in peace!
Thei»¿ best from the West smash on the East
Celtrics, Celtics, whatever dog
L.A. Lakeshow will never fall!
Quote me, vote me, Kobe
Will be kissing the championship trophy
Now that's 5 rings and 5 things
And L.A. local it's only 5 kings
And I am one of them son of a bad mutha
My brotha from another mutha, fella who reppin. L.A.
Nothing that you can tell me
Down down like Nelly
We are the LAKEshow, ya hear me!

[Chorus: Ray J] (x2)

We gon' party till the early morn.
When the Lakers bring the trophy home.
We got that California purple gold.
And F them Laker haters cause we down with the
greatest

[Chino XL:]

The Lakers are magnificent
Critics better admit it we winning
Shoot it pivot with less than a second left and it
swishes.
Don't test us you know how vicious Artest is

Leavin the Celtics crying like Lebron
When the Magic gave em that ass whipping.
Lake Show you know we down for the kill.
Score numbers greater than gallons lost in that BP oil
spill.
Paul's pie gets pierced by the king of the kings.
Rondo's obsessed like Smeagol with the Lord of the
Rings .
His name was Kobe.

[Roscoe Umali:]

Let's go Niley, I reppin for the Lakers the all time
greatest.
Can't nobody fade us.
I do it for the jerseys that be hangin from the Staples.
Jabbar, West, Magic, Worthy, Chamberlain and Baylor.
Fisher, Pau and Bynum got championship rings with
diamonds.
While the homies Ron Artest to run the defensive
assignments.
Bench mobbin Odom, the Black Mamba Kobe.
We parade on Figueroa with the championship trophy.

[Chorus: Ray J] (x2)

We gon' party till the early morn.
When the Lakers bring the trophy home.
We got that California purple gold.
And F them Laker haters cause we down with the
greatest

[New Boyz:]

We the best it's so how you ain't a fan by now bro
Lakers over there head like it Shannon Brown dunk.
Anybody stepping up, we getting rid of them lanes
Say Lebron needs Verizon, he ain't getting a ring.
Player LA and it's over for sure.
Tell them Boston leprechauns that them clovers don't
work.
The Lakers win another championship.
That's why we got D Fisher to keep on reelin' em in.

[Ray J:]

It's gonna be down Lakers in the motherf*ckin house
right now.
Ya'll need to stop, (stop) runnin your mouth.
We, gone celebrate and pop bottles right now.
You ain't gon' top us down.

[New Boyz:]

I'm down on the floor,
I'm in my suite
Yell beat LA and get Boston beat.

Glad we playin Boston put they ass in a coffin
Watch Kobe Bryant off em in the finals so often
Always on fire.
