All Out of Love

Dj Ghostwriter vs Dj Fly

Nothing, nothing's enough (x5)

Don't want to hurt anymore  
Don't want to hurt like I did before  
You want to make me cry, try to change my mind  
Don't want to feel insecure  
Don't want to feel like I can't be cured  
No, you don't want me to, but I'll get over you  
Can't keep coming back for one last try, let history  
repeat itself this time  
It's taking over, babe, but I'll never make the same  
mistake again

(Chorus)

One beat and I'm running back to you  
One fall and I'll fall like I used to do  
Nothing's enough  
You've hurt me too much  
I won't be that fool that can't close the door  
I can't see you if the feeling's gone  
Nothing's enough  
You've hurt me too much  
I'm all out of love

I know we've been through this before  
Though we've been through every open door  
've got to find a way, back to yesterday  
You've got to follow your heart  
Don't let this leave us so far apart  
Sometimes you've got to do, what is hurting you  
Can't keep coming back for one last try  
Let history repeat itself this time

It's taking over, babe,  
But I'll never make the same mistake again

(Chorus)

One beat and I'm running back to you  
One fall and I'll act like I used to do  
Nothing's enough

You've hurt me too much

(Chorus)

Nothing, nothing's enough (x4)
