I look to the sky [x2]

Hardcore till I die
HÂ... TÂ... IÂ... D
Hardcore till I die

When the rain falls down
I look up to the sky
I picture you up there
And all I do is cry

Being without you
Is like a dying pain
I'm here looking up
Searching for you in the rain

You're looking down on me
Like a guiding star
I will always love you [x2]

Looking down on me
Like a guiding star
I will always love you
Wherever you are

I will always love you [x15]
Wherever you are

Being without you
Is like a dying pain
I'm here looking up
Searching for you in the rain

Since they took you from me
I have no reasons for life
You're in the heavens above
Looking down with the light

Hardcore till I die

Looking down on me
Like a guiding star
I will always love you
Wherever you are
