In your eyes I see your broken soul
And there's no where for my spirit to go
See the light that burns inside of you
And I know that I'll be close to you

[Chorus:]

Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the clouds of love
With you I just can't get enough
I see the light

(Instrumental)

[Chorus:]

Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the clouds of love
With you I just can't get enough
I see the light

(Instrumental)

See the light
I see the light, I see the light

(Instrumental)

In your eyes I see your broken soul
And there's no where for my spirit to go
See the light that burns inside of you
And I know that I'll be close to you

[Chorus:]

Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the clouds of love
With you I just can't get enough
I see the light

I see the light
I see the light

(Instrumental)

See the light
I see the light, I see the light

[Chorus:]
Into the darkness we can fly
Upon the wings of your desire
I see the light
We've flown around the clouds of love
With you I just can't get enough
I see the light
