Intro:

Yes your back on KTOP classic hip hop station

takin' you way back on this one with Fat Lip

recorded in New York City 1997.

And you'll be hearing scratches performed by DJ Honda

who produces this exciting track entitled...

uh ha you guessed it. Fat Lip.

Fat Lip:

I'm sick and tired of suckers second guessin'

When they know that I'm fresh with no question

To be or not to be you got's to see

When I'm sayin' when I say I'm the F.A.T.

Nigga L.I.P. my wildstyle on pause

When I was a toddler use to shit in my drawers

Now I'm all grown with style and class

But yo still sometimes I forget to wipe my ass

I like to bump rock and roll soul and jazz

Say what's up to the fool Flip and Ras Kass

No I'm not Catholic fuck a pope and a mass

Take a flight to France get faded in first class

Assholes be hatin' cause my lifestyle's the bomb

Hop in the Q then I Cruise like Tom

I'm trying to stay calm when I ring thee alarm

But I got more styles then mad cows on the farm

talking:

Oh yeah that shit was tight
