[Feat. Voltage]

Every time we touch, I get this feeling.
And every time we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
Cause every time we touch, I feel the static.
And every time we kiss, I reach for the sky.
Can't you feel my heart beat slow
I can't let you go.
Want you in my life.

Girl I swear down everytime we touch, I feel like I'm in
deep love.
You bring a rise to my cheeks when I'm trying to
preach, I'd rather you keep me warm I don't need
gloves.
I wanna be stuck with you and me just in a room so
everyone they can leave us, cause you mean so much
to me, it's just not the fact you bring my peace up.
I'll be plain to you, I'm not ashamed of you.
You're the girl of my dreams let me speak up.
Let me put it like this b, I love chocolate eggs and your
better than easter.
So that's why I am on to ya case with your pretty face
and your body that I wanna feel up.
Against mine yeah I got a sweet side, but clock that I'm
a sexual healer

Every time we touch, I get this feeling.
And every time we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
