[Chorus x2: Z-Ro]

All you hoes still get no love
All you can get is a "fuck you"
Get mad if you want to
Kiss my black ass

[Verse 1: Z-Ro]

Playa
I understand why you hate me
Cause I'm on the radio and on the T.V.
And your baby mama won't stop callin' my phone
(Stop callin' my phone)

A couple of grillin' bids in my past
Cause I got caught up in the game
Now it's 750, 000 dollars later
And 18 grand everytime I pick up my telephone

[Verse 2: Trae]

Bitch
I'm doing my thang
Focusing on getting my change
And you ain't getting nothing
I'm cool so please stay out of my face
For worries stay up under my waist
N then I get to dumping on you bitch

[Chorus x2: Z-Ro]

All you hoes still get no love
All you can get is a "fuck you"
Get mad if you want to
Kiss my black ass

[Verse 3: Z-Ro]

Too many years I'd done payed the price
I ain't got no time for no more drama in my life
Day after day I'm still grindin' hoes
If I ain't grindin' for nobody else,
I'm grindin' for Ro

Dats why there's diamonds on my hand
And swangers on the caravan

I'm a Asshole By Nature
Yes I am (ha)

I thought I told ya'll deep down south
We don't play
Don't get too close
Cause nigga I'm goin' spray everyone of ya'll
Piss me off and I'm a murder everyone of ya'll

I'm gon let the top down
With my favorite screw tape bangin'
Betta roll cruise control as the cigarello blows
Cell phone ringing, traffic light changin'

[Chorus x2: Z-Ro]
All you hoes still get no love
All you can get is a "fuck you"
Get mad if you want to
Kiss my black ass

[Verse 4: Trae]
You must be crazy
I still don't luv you roach ass hoes
Don't excuse my gangsta
Fuck you n everybody, I'm a Asshole

Go head, catch a attitude
I'm a do me, whether you like it or not
But one thing you gon have to do
Is kick rocks
When you get the fuck up out of my drop

Ain't no need to callin' my phone
You can keep on roachin' on your own
Thinking I'm a chill but baby you're wrong
Cause I don't luv no bitch

These swaggers made out 22 inches of chrome
I got a reputation with money too long
Disrespect me, you'll get more then a song
So please stay the fuck off my dick

[Chorus x2: Z-Ro]
All you hoes still get no love
All you can get is a "fuck you"
Get mad if you want to
Kiss my black ass
