I can't wait to be with you
I can't wait to be with you
I can't wait to see you
I can't wait to be with you
Loving you is all I want to do

10 o'clock my flight lands
Can't wait to hold the palm of your hand
Been 7 long days, since the last that I saw you
And every free moment I get, I got to call you

Takin' every chance, to glance at your cute face
And lookin' at your 8 by 10 in my suitcase
Ain't been with my honey in a long while
And when I get a hold of you, mmm child

No tellin' what I might do
'Cause I would be like a kid that got a toy and it's brand
new
Can't wait to hold you, can't wait to see you
Can't wait to treat you, can't wait to be with you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
I can't wait to see you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
Loving you is all I want to do

Bein' in love is like an amusement ride, G
I feel like it's a party inside me
Smile on my face, and there's a twinkle in my eye
Time to go to work, but it's so hard to say goodbye

And as I think of you, it's like I had a drink or two
I feel dizzy, damn where is she?
Pick up the phone and call you about three
Hello, yeah baby it's me

Just to hear your voice, just the thought of you
Got me trippin', it's why I just bought a new
Cellular phone, so I don't have to postpone
When my beeper goes off, no more runnin' to a pay
phone

Your astoundin', it's why I'm expandin'
So vivacious, and baby your face is
That of a Goddess, it's makin' me feel numb
A fe fi fo fum, yo baby come and get some

Of the man, the myth, so debonair
What said, while fair is a pair we extraordinary
Me and you as a team, it's kinda swell ain't it
Love is hole and I tripped, then I feel in it

From the mountain, to the valley, to the deep blue sea
All I can do is hope and pray, you want to be with me
I'm sayin' this from my heart, that's how you know that
it's true
Yo, I can't wait to be with you

Girl, you know it's true
(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
I can't wait to see you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
Loving you is all I want to do

Alright check it out, break
Yeah, uh huh, oh yeah
That's how I like it
That's how I like it

Yeah, presto chango I wish I was a magician
Snap my fingers or tap my heels and then
Abra ca dabra, right there beside you
But it's seemin' and dreamin', that's all I can do

I'm in an airport, an hour until flight time
Can't wait to have you direct in my sight line
Got a warm feelin' in my chest, thinkin' of your soft
caress

I miss you so much and it ain't enough
To just reach out and touch
I want to hold your hand, in my hand

And walk and talk barefoot in the sand

And I can't wait to just see your smile
And I can't wait to be alone for a while
And I can't wait to do the things we do
I can't wait, I can't wait, oh I can't wait to be with you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
I can't wait to see you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
Loving you is all I want to do

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
I can't wait to see you

(Can't wait, can't wait)
I can't wait to be with you
(Can't wait, can't wait)
Loving you is all I want to do
