(so damn tough)

(fresh)

(so damn tough)

Everywhere we go downtown or to a show

We have two necessities Charlie Mack and our limo

He's feared by suckers yet he's loved by kids

Pay attention and let me tell you who Charlie Mack is

He is our homeboy from around the block

He's regarded through the city as the hip-hop cop

Height about 6'6", weight about 290

Everywhere I go Charlie Mack is right behind me

He never laughs, never smiles nor sweats

He doesn't break arms or legs, only spines or necks

He once killed a man cause he would not let go of his

Ego

Apollo Creed is a sucker Charlie Mack could be Drago

He could bench about three hundred pounds

The cops all take a vacation, when Charlie's in town

He's the toughest around so everywhere that I go he

goes

He's Charlie Mack and he's the first out the limo

(So damn tough)

I guess you're wondering why he's the first out the
limo, yo, let me give you this bit of info

So you'll know the things that Charlie can do and you'll
know every single reason why he's down with the crew

The limo picks us up about a half past six

With the radio blasting our latest hit

It's me Jeff Ready Rock, Omar and J.L.

Charlie Mack is up front as we depart the hotel

First we cause chaos throughout the city streets

Then maybe stop at Burger King for a bite to eat

And if somebody gets stupid while we're in the place

Charlie cancels his order and bites off their face

He's not a troublemaker in fact, he's a trouble breaker

And if somebody gets dumb, well it'll only take a

second or two, after some fools snaps

Law and order is restored by my hero Charlie Mack

Wheel off into the limo, and head for the jam

Charlie cracks all the knuckles, on both of his hands

And when we pull up to the show, the routine is
unrehearsed
It's just natural that we let Charlie hop out first
He clears the crowd without saying a word man
That's the loudest silence I've ever heard
A lot of times guys test him, by trying to bug
He just, leaves ring imprints, all over their mugs
He's a terminator, a Hercules of sorts
Man to hell with chess, he likes physical sports
You may not have known before but now you know
The reason why Charlie Mack is the first out the limo

(So damn tough)

We'd like to apologise to all of our fans
But please don't touch us when we're at our jams
Cause Charlie don't like folks around us when we're
doing a show
And if he punches you, uh-oh, better get Mako
Still you weak rap dudes tempers are hot
Just because I've got something that you ain't got
If you want to get physical, rowdy or try to bomb me
I won't get excited, I'll just say Yo Charlie
You should a been kind, you shouldn't have snapped
Charlie only hit you once and now you're taking a nap
And when he leaves you decapitated, crushed in the
dust
You'll look up, and see your girl in the limo with us
You may think that's enough boy but I think not
Charlie kick his face again I think you missed a spot
I roll down the limo window and yell by the way eyes
You'll see your girl buck naked giving Charlie a
massage
I'm serious I'm not joking no doubt
You know how many doubters' bones have been broken
You may not have known before but now you know
The reason why Charlie Mack is the first out the limo

Charlie Mack the first out the limo
He's Charlie Mack the first out the limo

In closing, we'd like to say this, to you bustas
If you're sceptical you'll probably get beat up, plus kid
Embarrassed and laughed at, by all of your friends
And if you cross Charlie Mack it's the beginning of the
end
Of life as you know it, you might not die, sir
But if you're not dead, you'll wish you were
But if you still wanna bug out, homeboy let's go
You can bug with Charlie Mack cause he's the first out
the limo

He's Charlie Mack and he's the first out the limo
