Uh...

Here come the Men in Black

It's the M.I.B.'s, uhh, here come the M.I.B.'s

Here come the Men in Black

They won't let you remember

Nah nah nah

The good guys dress in black remember that

Just in case we ever face to face and make contact

The title held by me -- M.I.B.

Means what you think you saw, you did not see

So don't blink be what was there

is now gone, black suit with the black Ray Ban's on

Walk in shadow, move in silence

Guard against extra-terrestrial violence

But yo we ain't on no government list

We straight don't exist, no names and no fingerprints

Saw somethin strange, watch your back

Cause you never quite know where the M.I.B.'s is at

Uh and...

Here come the Men in Black (Men in Blaaaaack)

Galaxy defenders (oahhaooohh ohhhhh)

Here come the Men in Black (Men in Blaaaaaack)

They won't let you remember

Uh uh, uh uh, now

from the deepest of the darkest of night

on the horizon, bright light enters sight tight

Cameras zoom, on the impending doom

But then like BOOM black suits fill the room up

With the quickness talk with the witnesses

Hypnotizer, neuralizer

Vivid memories turn to fantasies

Ain't no M.I.B.'s, can I please

do what we say that's the way we kick it

Yaknahmean? I see my noisy cricket get wicked on ya

We're your first, last and only line of defense

against the worst scum of the universe

So don't fear us, cheer us

If you ever get near us, don't jeer us, we're the fearless

M.I.B.'s, freezin up all the flack

(What's that stand for?) Men In Black

Uhh M

The Men in Black...

The Men in Black

Let me see ya just bounce it with me, just bounce with me

Just bounce it with me c'mon

Let me see ya just slide with me, just slide with me

Just slide with me c'mon

Let me see ya take a walk with me, just walk it with me

Take a walk with me c'mon

And make your neck work

Now freeze...

Here come the Men in Black (Men in Blaaaaack)

The galaxy defenders

Right on, right on

Here come the Men in Black (Men in Blaaaaack)

They won't let you rememberk (ohhhh nooooo)

Alright check it, let me tell you this in closin

I know we might seem imposin

But trust me if we ever show in your section

Believe me, it's for your own protection

Cause we see things that you need not see

And we be places that you need not be

So go witch a life, forget that Roswell crap

Show love to the black suit, cause that's the Men in

That's the Men in...

Here come the Men in Black (here they comeeeee)

The galaxy defenders (ga-la-xy de-fenders)

Here come the Men in Black (ohhhh here they come)

They won't let you remember (won't, let you,  
rememberrrr)

Here come the Men in Black (ohhhh here they come)

Galaxy defenders (ohh ohh, ohh ohh, ohh ohh)

Here come the Men in Black

They won't let you remember
