On the sheets, I be straight stunting  
You got the wrong keys, I ain't who to start with  
Rise of the apes, now who you monkeys getting smart  
with?

[Hook]

I'm bout that money, I'm bout that fatty  
I'm down to get it by any means necessary  
I'm bout that drama, I'm bout that stripe  
Now fuck with me and with my team  
And you gonn see  
Bitch I'm bout that life,  
Tryina get what I can get before these people give me  
credit  
I'm alive, not tell them hatin ass niggas  
That hatin on a nigga  
Quit your hatin, cause bitch I'm bout that life!

In love with the money, infatuated with coupes  
Imaculate living, money stack up to my roof  
The baddest of women, purse matchin the boots  
That's the half you don't wanna see what's in that  
fuckin bag  
Pull it like a flip camp, first you aim it, then you fire  
Big hat smoke a nigga, I can get no higher  
Heroine in every bag she carry on  
You niggas ain't getting money, fuck it, then carry on  
Them biggies...rich and fucking self made  
Ricky rose and my nigga kay slay  
Pound of purple green, 2 leader a piece price  
I could flip a brick before a chick can blink twice, ah!
