Yo Yo

If we got plans for murder we gon' follow thew  
Some times we game play we just gotta move  
At tha heat of tha moment then it's time to shoot  
Aint no time in stayin just time to prove  
Gasoline will do damage that wont heal back  
We gon' hack that boy headless you can't fix that  
I know what they suppose to be  
Came threw blowin tha heat but it's all speculation  
Got some murderin ass niggaz reduce space men  
But there's gonna be a conflict if you get in are way

I tell ya this 1 time get out are way men  
Cause I will kill one of you bitches fro bringin dat shit  
See we don't give a fuck about your reputation  
Or how many soles your walk with will put you with them  
Ya name rings bells there sowed to ma bullets  
Fuck you n' everybody you move wit lets do this..

You wanna talk tough you get shot tha fuck up  
Niggaz wont stop till they get shot tha fuck up
