[Eminem] (Obie Trice)  
KaySlay! (Yeah) Yo..  
Drama King! (Yeah!)  
Check it out, check it out - O. Trice!  
(Shady Records nigga, it's goin down once again boy)  
It's just a scratch man (Let's go Em)  
[Eminem]  
I Murder this Inc as soon as I touch the page  
You ain't gon' have no other choice but to rush the  
stage  
and charge the mic, and I hope you got the heart to  
fight  
Cause you gon' have to, cause you ain't got the smarts  
to write  
somethin that good, to try to come back at me with  
What you gon' do, try to out-rap me with that happy  
shit?  
You motherfuckers crack me up  
Talkin bout you gonna smack me up, y'all won't even  
back me up  
Throw up your paws, you pussies can't even scratch me  
hard  
It's like fuckin Castor Claw tryna jack me off  
You think I'm afraid? What you tryna throw some fear in  
me?  
You think I'm dumb enough to roll with no security?  
{\*gun clicks\*}  
I'm doin my best to try to show maturity  
But don't sit there and stare at me like hoes and sneer  
at me  
like it's supposed to be scarin me  
Like I won't leap clean over this fuckin V.I.P. rope and  
throw this chair  
at anyone close or near me tryna approach me  
physically  
cause he don't spit lyrically  
And he knows that my flow's so sick, this hoe's on my  
dick  
and he's so sick of hearin me, my posters is starin at  
him  
But I don't think he knows the severity  
of what it could escalate to or that it could grow so

seriously  
if I go hysterically; cause I guarantee  
there's no one in here that would resort like a  
childhood  
any quicker than I would, or hit you with plywood  
Especially when I'm sippin on this liquor and tonic  
One swig of this bottle I'ma go upside your head so  
hard with it  
the mark
