To have you next to me

I can't believe it

All the things I do

To keep you loving me

And it's just too much for me

To not have you by my side

Cause no matter what you're going through

You know that I'm gon' ride yea

[Verse: Nas]

You a brave girl? I'm a Braveheart

In crow heart and Champion Hoodies

You in the Benz Buggy with the fullies

I ride beside ya, we about to pull a all nighter

I'm Super Freak like Rick James

Sex in rangers, parked on dangerous blocks

You like it when the strangers watch

Im' looking out for cops, you a girl with no fear

People put ya hands in the air for the GQ man of the year

That Bentley or Polstry Leather

The leather that be up in the coats I wear

Wherever I go so there ya have it

Cashmere fabrics, never caught in last years garments

Holsters under armpits, chauffers and the charms lit

And a coat is holding on the Don's wrist

She got the I'll Will chain on

Turquoise boots saying "God's Son"

This the theme song

[Chorus]

[Verse: Baby]

You know the size of this shit, I flips it quickly

Lose this trouble 'fore these people get with me

Holla at my hoes cause I dip my bitches

From gold to platinum from rag to riches

I'm the boss of the boss, the pimp shotcaller
Worldwide Rider in a Benz with a spoiler
In your city tear yo mall up
Pimp fly bitches and tear their walls up
Dress nice I'm super neat
