[and we go by the runners]

i think its time for me to go hard as the hood im from
(x4)

i do it for the hood cause the hood told me i could

if the they aint run you dont stress
tell them niggas that we the best

fuck the best we run this game
kanye west khaled and pain

[Chorus]

If you could you would get rid of me
what you gonna do when a nigga got to go hard
but i wont let you get to me
you should already figure imma go hard
if you were as real as me
you would never let another nigga step in yo yard
makin money aint shit to me
this in my veins and it gets to my heart
so i am, i will , i gots to go
you got another way to live you gots to go on
i am gettin it in until the end i got to go, go, go , go
hard

[Kanye]

i go the hardest
flow so retard
i'm disgusted with myself
i mean ughh were do i start
first i stand around and vomit
then i shit up on it
fuck the beat up so bad
won't no body get up on it
i flow so sick

[Chorus]

If you could you would get rid of me
what you gonna do when a nigga got to go hard
but i wont let you get to me
you should already figure imma go hard
if you were as real as me
you would never let another nigga step in yo yard
makin money aint shit to me
this in my veins and it gets to my heart
so i am, i will , i gots to go
you got another way to live you gots to go on
i am gettin it in until the end i got to go, go, go , go

makin money aint shit to me
this in my veins and it gets to my heart
