(I think it's time for me to go hard as the hood I'm from)
DJ Khaled! We the best!
(I think it's time for me to go hard as the hood I'm from)
I'm goin? in, I'm goin? in!
I do it for the hood ?cause the hood told me I should

(I think it's time for me to go hard as the hood I'm from)
If you rep yo? hood and you goin? hard
If they hatin? on you, don't stress, tell ?em niggas that
we the best!
(I think it's time for me to go hard as the hood I'm from)
Fuck nigga, you can't stop this!
Fuck the best we run this game, Kanye West, Khaled
and Pain!

If you could you would get rid of me
What you gonna do when a nigga gotta go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you was as real as me
You would never let another nigga step in yo yard
Makin? money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go hard
You got another way to live
You gots to go on
I am gettin? it in until the end
I gotta go, go, go, go hard

I go the hardest, flow so retard
I'm disgusted with myself, I mean ugh, where do I
start?
First I spin around and vomit, then I shit up on it
Fuck the beat up so bad won't nobody get up on it

I flow so sick, nigga, how sick? Sea sick
Got your hand out, don't look at me bitch
You lookin? at who made me rich

You lookin? at who made me rich

I had some wins, some losses
Just the life of a goddamn boss's
With the top off lookin? for a girl
With a ass as fat as Tracee Ross'

This is dope as it get
Dope as a motherfuckin? acid trip
Fly as 57 passengers
This finna be another classic bitch

Everybody know I got it
If you want it then get at it
But I ain't gon? have it
No, I ain't gon' have it

If you could you would get rid of me
What you gonna do when a nigga gotta go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you was as real as me
You would never let another nigga step in yo yard
Makin? money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go hard
You got another way to live
You gots to go on
I am gettin? it in until the end
I gotta go, go, go, go hard
I ain't never been scurred
Never been the type to bite my words
When I came up y'all gave me shit
Now I'm finna make y'all eat them turds

Always said what the fuck I felt
Gon? ?head spit that murder I wrote
Man, I don't care wh-what you felt
Fuck you nigga I know I'm dope

Felt like I come here to get my all
Felt like I had to play the fly on the wall
Felt like niggas was stuntin' on me
Funny how I'm flyer than them all

Now I'm at the top, ain't nowhere to go now
Instead of me she gon? go down
Maybe I would've slowed down if I knew
What I know now

I'm Scooby I know I'm dumb
Makes it fuckin? get old, well it's good I'm young
But my heart get cold as the hood I'm from
Tell me what it take to be number one

I guess it's gon? be what it's gon? be
But here's one thing y'all got to hear
I'ma tell you like George Bush told me
?Fuck ya'll niggas I'm out of here?

If you could you would get rid of me
What you gonna do when a nigga gotta go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you was as real as me
You would never let another nigga step in yo yard
Makin? money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go hard
You got another way to live
You gots to go on
I am gettin? it in until the end
I gotta go, go, go, go hard

(I think it's time for me to go hard as the hood I'm from)
I'm goin? in, I'm goin? in!
(I think it's time for me to go hard as the hood I'm from)
I go hard for the hood, I go hard for the streets

(I think it's time for me to go hard as the hood I'm from)
I go hard for the ghetto, Kanye West, T-Pain, DJ Khaled
(I think it's time for me to go hard as the hood I'm from)
We the best! We won't stop, we can't stop, we global!

If you could you would get rid of me
What you gonna do when a nigga gotta go hard?
But I won't let you get to me
You should already figure I'ma go hard

If you was as real as me
You would never let another nigga step in yo yard
Makin? money ain't shit to me
This in my veins and it gets to my heart

So I am, I will, I gots to go hard
You got another way to live
You gots to go on
I am gettin? it in until the end

I gotta go, go, go, go hard
