The season has returned, DJ Khaled  
We global now, we global  
We international now  
International, Nasir

Money fall out the sky when I speak  
Gotta valet, can't leave mine in these streets  
Can't carpool, the crew is too deep  
Why tuck it all in? The jewels are too sweet

You should ball if you could  
I be diggin' in my pockets, it ain't trickin' if you got it  
And since a nigga from the projects  
Champagne out of a can would be the fly shit

And I'm a history major  
Hood motivational speaker  
Rap Led Zeppelin, best dressed list  
Show you how to bubble off of large investments

Ya heard me and this journey, I'm the journalist  
Line around the block to hear the words of the herbalist  
Send ya girl to the Dominicans to perm her shit  
Tell her tonight, we gonna see Nas return to his murder  
shit

It's still nasty, bone in the flesh  
God's son, never gone, never left  
King, I play every card in the deck  
The whole world waitin' for what I'ma do next  
And y'all already know where I came from  
Queensbridge reppin' since day one

Nigga I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Nasir)  
Come on

Out of the shadows, into the light  
I have the power to take back what's mine  
(Can't hide, can't hide)  
We have the power  
(Alive, it's so fine to be alive)  
We are the light

I'm God's hit man, Chopard wristband  
New York crown jewel, no if-and's  
Top five, I'm the one, two, three, four and the fifth man  
Smoke a hookah in Istanbul, I'm quicksand

I'm 5 Mics, five points of light, hit the stage like a  
meteorite  
They wanna all hear Ether tonight  
But we ain't beefin' tonight that's history  
So now when you mention me say I'm a mystery  
Like six degrees or the seven hills of Sicily I need a  
vasectomy

They resurrected me but nothing is left for me  
Just when you thought you'd seen the best of me  
I take it a notch higher, yeah, sip more wine than a  
Somalian  
Get around town in a private lear and by sun down I'm  
up out of here

It's still nasty, bone in the flesh  
God's son, never gone, never left  
King, I play every card in the deck  
The whole world waitin' for what I'ma do next  
And y'all already know where I came from  
Queensbridge reppin' since day one

Nigga I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Nasir)  
Come on

Out of the shadows, into the light  
I have the power to take back what's mine  
(Can't hide, can't hide)  
We have the power  
(Alive, it's so fine to be alive)  
We are the light

Power, paper, palace is so high  
Lookin' over skyscrapers, wildin' out in Dubai  
Do I look like I never seen the better things?  
Emerald ring, I chase cheddar mean

Pockets on swole since eighteen years old  
Gettin' my dough, cigars are hand-rolled  
From Guantanamo, Gallardo's, the car shows  
The Narcos, Gestapos, Optimos

'Cause I love the dough more than you know  
Still ain't reach the pinnacle  
Braveheart general since 9-4  
Got the belt to show certified classic

9-6, Street Dreams was blastin'  
And no way they wanna hire assassins, they still  
harassin'  
I'm so platinum, it's natural  
A nigga is my acronym, lights, camera, actionin'

It's still nasty, bone in the flesh  
God's son, never gone, never left  
King, I play every card in the deck  
The whole world waitin' for what I'ma do next  
And y'all already know where I came from  
Queensbridge reppin' since day one

Nigga I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Come on)  
I'm on  
(Nasir)  
Come on

(Can't hide, can't hide)  
We have the power  
(Alive, it's so fine to be alive)  
We are the light

Nigga I'm on  
I'm on, come on  
This is

We global now, we global

We international now, international  
Nasir
