I'm on my way
This goin' out to every 'hood
We gon' make it

You can look into my eyes, see that I'm dead tired
6 in the morning, money still on my mind
So if you want it, I'm the one to supply
Be there in no time, no time, no time
I'm on my way, I'm on my way
I'm on my way, I'm on my way
I'm on my way, I'm on my way

Nigga this legendary, no ordinary shit
No ordinary bitches, no ordinary wimps
I'm for biznik, I'm special like the 30
I came a long way from food stamps and Section 8

Niggas eatin' on these beats, get yourself a plate
And I'ma step away, one hit a breath away
When you don't got time, you ain't never late
Come so victory is here, we can celebrate

Okay, I'm on my grizzle, on my grind
Go ahead try, top my shine
I'm on my way, any day
Tell them niggas better have my cake

What you think? Nigga you ain't
Had me laughin' all the way to the bank
L O L, A M B, O R at the gini, baby

Had to chop the top off that bitch
Just so they can see me baby
Money I get, know that shit
Yeah he paid, notice it

Sleepin', who? No can do
Motivation, ocean view
How I get it? Bitch, you trippin'
Ain't got nothin' to do with you

You can look into my eyes, see that I'm dead tired

6 in the morning, money still on my mind
So if you want it, I'm the one to supply
Be there in no time, no time, no time
I'm on my way, I'm on my way
I'm on my way, I'm on my way
I'm on my way, I'm on my way

Victory is on the way
Khaled go in on 'em
Show 'em we gonna win, homey
Get off in they skin homey

I've been gettin' it in the streets over ten years
So you think a nigga a pussy cause his ear's pierced?
One up on a nigga if you want to
You gotta best, gotta be sure that it go through

BallGreezy gettin' money like he 'posed to
Good dope in the drop like soul food
Big Body, big rims on the old school
Stay fly like a hood nigga 'posed to

Lights off, click clack in the Pinto
Seat back, dick sucked in the Benzo
5% DBs on the Renzo
No sleep, gotta eat, gotta get done

It's like I always say, muthafucker here I come
Another victory for the crib, a couple more before I'm
done
And if you sleep, you better wake up, and get on your
fuckin' job
'Cause I'm takin' everything except for loss

Iceberg goes off, yeah 24-7, night goes on
And I be scared I might miss money, so I won't doze off
I'ma snap, and the streets know it, Trick told me keep
goin'
And I'ma keep chiefin' as long as God keep the weed
growin'

You can look into my eyes, see that I'm dead tired
6 in the morning, money still on my mind
So if you want it, I'm the one to supply
Be there in no time, no time, no time
I'm on my way, I'm on my way
I'm on my way, I'm on my way
I'm on my way, I'm on my way

Switch man been too official, I've been destined to
shine

Won't take no for an answer, fuck, nigga, gimme mine
Never been selfish for real, I put on my whole city
I went from standing on corners to autographin' titties

My daddy gave my Virginia's King, a Richmond legend
A wise speaker, a woman pleaser, broke nigga,
reverend
Mr O-10, I get it in, I wear the crown
We the best, tell 'em fuck next, I got down

You got the cash, then show me, better not be phony
Get on my level, 'cause they way below me
You ballin'? Baloney, girls ask me what my cologne is
Steal khakis and Coronas, and I'm mackin' a donkey

Flip the four in a half, do the 'vert, and I left
Bet the Ave never seen bags chunky as that
Why you got pressure? 'Cause my Impala got pressure
Beating outside, shaking the dice on my dresser
Is that Gunplay? Yes sir

I'm on my way, I'm on my way
I'm on my way, I'm on my way
I'm on my way, I'm on my way

Yes, I'm on my way, all the way to the top
But I comin' from the bottom
You right here ain't go no brain
Uh-uh, can't stop 'em

Headin' to the floor, I'm ridin'
Where the money keep most supplyin'
You can tell I'm stickin' like a muthafucker by the way
I'm vibing

Just came back from where I was
On my way somewhere else next
Lightening wrapped up in around my bankroll make my
money spent

You can check up over here, check up over there
Spent my hustle everywhere
I'm high-head grindin', gettin' it
I'm everywhere, you're never there

It's Young Cash, I rap and I sing, nigga
Still a goon, I rap under you rappers for your chain,
nigga
Fuck the alcohol, I'm the one they playin', nigga
Black is the attire when I roll up with that thang, nigga

I'm ridin' flow, but I don't wanna move in quarter keys
I come from Texas, if you're Georgia just to fuck with
me
Gimme your order, buy them more then, dog, I
guarantee
That you gon' leave with some whitest lines ever
released to T

You can look into my eyes, see that I'm dead tired
6 in the morning, money still on my mind
So if you want it, I'm the one to supply
Be there in no time, no time, no time
I'm on my way
