Fresh on the scene, I just let the swag talk
Watch I pull up in that foreign just to piss them off
Had a whisper to my dog I said we here to ball
Chain, rang, wrist, bling, I'ma piss 'em off
Ok, more bottles of rose,... on the waste
Complimented by that og
Looking kinda fly mister hood, what them hoes say
Pissing niggas off by the bezel on the watch face
On that neck Shawty, that's just how a boss play
Phantom with the 2 tone, left it with the valee
You know how I rang, catch me grouping on a Sunday
Bitch I am the shit, we clear? Blu ray

Check the swag, yeah it's on
Getting cash, in bank roll
I get it fast, never slow
Piss them off, just to let them haters know
Let them know
You ain't never meet a nigga that's fly
Ain't lying, got the top off the whip
You ain't riding, you ain't riding
If the watch under 40, you ain't shining, you ain't
shining
Piss them off, you niggas all talk,
Ain't buying it

Old man 10 grand bought the whole mall
Heard they hating so I did just to piss them off
Chilling with a bad bitch this is what you call
Put her in a red bottom just to piss them off
Good, low, you know what the risk cost
Made a pretty penny prolly triple what your rent cost
Get a nigga shining, like cotton on a chandelier
Hopping about that Porsche while you... that be the
panamera
Louie, Gucci, Fendi, yeah Versace be my day apparel
That shit that you talking it's nice, Christmas carol
And I ain't with the bullshit, I do this for real though
Kick it with a player, talking game when the field go
Swimming in some money, fuck around and do a back
stroke
Do you know how I like it baby, you just keep your back

low
Man I'm a dog, my whips are retarded
Swear I got a spaceship, you couldn't match it with a
martian

Check the swag, yeah it's on
Getting cash, in bank roll
I get it fast, never slow
Piss them off, just to let them haters know
Let them know
You ain't never meet a nigga that's fly
Ain't lying, got the top off the whip
You ain't riding, you ain't riding
If the watch under 40, you ain't shining, you ain't
shining
Piss them off, you niggas all talk,
Ain't buying it
