B. Sig in the muthafucka holla at cha boy

Job Done

Yea, when I copp it's 4 doors I'm to big for a coup nigga
An when I go to war I don't get shot I just shoot niggas
An I don't trust a nigga as far as I can throw em
Even though I'm feeling strong enough I prolly can roof
niggas

Yea, Ya boy back in the booth nigga
I'm off the weed but I'm back on my juice nigga
I beat the case so it's off with the suits
Back to Fateegs, black tee' s an Timbaland boots
Nigga
The year is new, I want my spot back take 2
Matter fact take the whole click who you know can fly by
in the 05-06
When they see that new V the dope boys go crazy
You know I still fuck with State P still fuck wit Dame Dash
still fuck wit
Jay-Z
Still real steel still recognize real I still feel it in the air
We kill at will here

First Pac got got, Then Big clock stopped
Now somethin going on wit the Roc
I'm hearin shit about a break up, the shit people make
up
I'm like "Damn when will it stop?"
Jay an Dame ain't speakin, Game an 50 Cent beefin an
Cease got Lil Kim
Knocked?
I'm hearin all this in the jail while I'm sittin in my cell
An I'm waitin on some mail from the Prop

Yo you gotta hole in you and you bleedin
So it's not like I'm just callin you "Pussy" for no reason
Me? I'm a bastard I hit the blunts till I gotta cough then I
pass em
Exhaust on the Ashton, that next choice you make
might be ya last one
Shit that I needed stuck with me from the classroom

Real talk now, who's the King of New York now?
Boys got safe in the house, I gotta vault now
From my old grams still, wit my old fam still
Still gettin wireless head that's with no hands
Listen My grandma in compensation compares to yalls
is way beyond
Exist-ions
D-Block daddy new black Caddi comin through knockin
Micheal McDonald and
Patty
P's of haze is still goin for 8 in the Nati
Rather have God arrest me then Satan ta bag me (Get
Serious!)
I'll gladly involve ya moms, Al-Quada Jada I'm only
involved with bombs
(Uh)
Put my life on it
Soon as you put in the hot water all you gotta do is put
the ice on it
I been givin to niggas for years I'm responsible for
niggas careers
Muthafucka!

First Pac got got, Then Big clock stopped
Now somethin going on wit the Roc
I'm hearin shit about a break up, the shit people make
up
