(Unh, can the headphones go louder?)

(KANYE WEST!)

(Swag King Cole)

(DJ KHALED!)

[Kanye West:]

Can't a young nigga get money anymore?

Tell PETA my mink is draggin' on the floor

Can I have a bad bitch with'out no flaws

Come to meet me with'out no drawers?

Dinner with Anna Wintour, racin' with' Anja Rubik

I told you ma'fuckers it was more than the music

In the projects one day to Project Runway

We done heard all that loud-ass talkin', we used to it

I'm from where shorties fucked up, double-cupped up

Might even kill somebody and YouTube it

So whoever think they words affect me is too stupid

And if you could do it better than me, then you do it

We flyer than the parakeet, floatin' with' no parachute

Six thousand-dollar pair of shoes, we made it to the

Paris news!

Don't talk about style, 'cause I embarrass you

Shut the fuck up when you talk to me 'fore I embarrass

you

Can't a young nigga get money anymore?

Tell PETA my mink is draggin' on the floor

Can I have a bad bitch with'out no flaws

Come to meet me with'out no drawers?

And the whole industry wanna fuck yo' old chick

Only nigga I got respect for is Wiz

And I'll admit, I fell in love with Kim

'Round the same time she had fell in love with' him

Well, that's cool, baby girl, do ya thing

Lucky I ain't have Jay drop 'I'm from the team

La familia, Roc Nation

We in the buildin', but still keep it basement

Flyer than the parakeet, floatin' with' no parachute

Six thousand-dollar pair of shoes, I made it to the Paris

news

Don't talk about style, 'cause I embarrass you  
Shut the fuck up when you talk to me 'fore I  
embarrassed you  
G.O.O.D. Music, we fresh, we fresh  
Anything else, we detest, detest  
Bitch-ass niggas got ass and breasts  
All that said, lemme ask this quest'

Can't a young nigga get money anymore?  
Tell PETA my mink is draggin' on the floor  
Can I have a bad bitch with'out no flaws  
Come to meet me with'out...

Don't talk to me 'bout style, nigga, I'll ma'fuckin'  
embarrass you  
Talkin' 'bout clothes, I'll ma'fuckin' embarrass you  
Hollin' 'bout some hoes, I'll ma'fuckin' embarrass you  
Way too cold, I promise you'll need some Theraflu

(Uh, uh, uh, uh, uh) Get the Theraflu  
(Uh, uh-uh, uh-uh, uh) Get the Theraflu  
(Uh, uh-uh, uh-uh, uh, uh-uh, uh-uh)
