[T.I.:]

Aye, aye

Started in Atlanta, then I spread out wit' it

On to North Carolina, Phildelphia, and Virginia

From down in Miami where it warm in the winter

On up to Minnesota where it storm in the winter

Jacksonville, Tallahassee, Memphis, Tenn. holla at me

Me in H-Town, Southside, Cloverland daddy

I'm the man out in Dallas, better ask Khaled

Kept me out in Cali with my eyes open barely

Blowin' that spinach, goin' down Bennett

Drop six-fo', three-wheel then switch it

Red light stop, make it drop for the bitches

Got a glock fo'-fifth, blow your head off wit' it

Anything you hear that I said, I meant it

Came got the crown then sped off it wit' it

Say you need bricks, I said I'd get it

[Akon:]

If you want to, we can supply you

Got enough work, to feed the whole town

They won't shoot you, unless you try to

Come around and try to stomp on our ground

'Cause we takin' over, one city at a time

Said we takin' over, one city at a time

Said we takin' over, one city at a time

Said we takin' over, one city at a time

[Birdman:]

Birdman daddy, I'm number one  
Nigga came at me wrong so we got him done  
F\*\*kin' with the fam', I'ma give him some  
Spent that co'ner, he didn't run  
Sunday had a whole church singin' a song  
"Why'd they have to send my baby home?"  
F\*\*kin' with some nigga, that paper long  
Been a g in the game now my son on the throne

[Lil Wayne:]

I am the beast  
Feed me rappers or feed me beats  
I'm untamed, I need a leash  
I'm insane, I need a shrink  
I love brain, I need a leech  
Why complain on Easy Street?  
I don't even talk, I let the Visa speak  
And, I like my sprite easter pink  
And my wristwear's Chopard but the Muller's cooler,  
I have more jewels than your jeweler  
Touch, and I will bust your medulla  
That's a bullet hole, it is not a tumor  
Red light red light stop your rumors  
I stay on track like a box of Pumas  
Now just r-r-rock with Junior  
I am the little big Kahuna, ya'dig.

[Akon:]

'Cause we takin' over, one city at a time
