[Krayzie Bone]

I Told Em Ima Get Up Get Out N Get Something
But I Was A Little Bitty Nothin In the City Thuggin
Never Been A Nigga Thats Never Done Less Than 100%
The Hustles Thats In Me My Thug Mentality
Showed Me What To Do To Improve My Salary
Dont Nobody Move Or You Could Be A Casualty
Why You Would Really Wanna Cross Paths With Me
One Nigga Left And They Thought We Was Done
Done Think You'll Get Rid Of The Twist Of The Tongue
They Thought We Was Finished But We Just Beginning
They Want Me Committed For The Murder 1
No Where To Run No Where To Hide Competition Ready
To Die
Opposition Never Survive When I Get Done Busting My
Rhyme
Ima Criminal Transformed To A Lyrical Bad Storm
Did I Mention My Fast Flowing Lately Its Got My Cash
Growin
And Ass Showin These Niggas Cant See Bone They

We Kicked In The Dooooor
What It Be Like Bone Thug Nigga Born And Bred In The

[Chorus x2]

In the hood where its good yea we get respect
On any street man its time to bill collect
Its a promise little homie no need for threats
We da best in the business we breed the next
Nigga ride with a thug on a cleveland quest
We really aint mad at you clones
You gotta give credit where credit is due
Why wouldnt they give it to bone
If you ever gave props den a massive thanks
Now you thinkin how a master thanks
