Imagine me and you  
You and me  
Imagine me and you  
You and me  
Imagine me and you  
I do  
I think about you day and night, it's only right  
To think about a boy you love and hold him tight  
So happy together

So happy together  
Me and you  
Me and you [Guy voice]  
And you and me  
And you and me [Guy voice]  
Imagine me and you  
Imagine me and you [Guy voice]  
And you and me  
And you and me [Guy voice]

[Both together]  
Imagine me and you  
And you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together

[Guy voice]  
Everytime a dj play this song  
Everytime this beat gos on and on  
We want you to be  
So happy together

[Guy vocie]  
And the people go

Imagine me and you  
And you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together

[Guy voice]  
So happy together

I can't see me lovin' nobody but you  
For all my life  
When you're with me, baby the skies will be blue  
For all my life

Imagine me and you  
And you and me  
And the Beat [Guy vocie]  
Imagine me and you  
And the beat [Guy vocie]  
And the beat [Guy vocie]  
And you and me  
And the beat [Guy vocie]  
And the beat [Guy vocie]  
And the beat gos [Guy vocie]

Imagine me and you  
And you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together

So happy together  
So happy together [Guy vocie]

[Both together]  
Imagine me and you  
And you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together
