

## Dj Krush "Whut'z Da Solution"

Visit "[Whut'z Da Solution](#)" on MotoLyrics.com

Whut'z going on, says Marvin Gaye  
I don't know but it's even trifa than it was i your day  
I feel grief, but at the same time I'm mad enough to  
catch beef  
Becauz catz be camouflagin'  
Actin' like everything iz everything  
But ready to throw a Tomahawk in ya back  
Smilin', jokin' & laughin' but profilin'  
Playin' da role like nothing's happening  
Letting da atin' control ya soul  
Jealousy iz festerin', bubblin'  
Ready to boil a whole persona  
And lifestyle iz turmoil  
Whut'z wit ya grill?  
Were you suckin on a spoiled lemon?  
I'm tellin' you envy is deadly, look what happened to  
John Lennon  
It's sad, dat'z why my melon iz swellin'

Jealousy iz a mutha, envy is anotha  
What can we do? What'z da solution?  
(Repeat x 3)

I don't know, but I got a few suggestions  
It might be helpful or maybe not  
But I feel like fishburne in school dayze  
Stop, we must come together  
Cauz if not society will rot  
Becauz my brother iz everyone  
No matter race, color or creed  
I'm more than happy to congratulate  
Not the hate  
Jealousy iz just like an earthquake  
It shakes, rattles & rolls ya way of thinking  
Mad at a cat without meeting, angry at ya man  
Becauz he'z seeking something better  
But da thought gives you chills like da cost of an  
iceberg sweater  
Why can't we all get along?  
That's a question we should be askin' ourselves  
Listen to this song

It's like whutever you do  
Jealousy surround you  
Everything I said iz true from verse 1 to verse 2  
Then Sinsta came through to put hiz piece of mind in it  
This hatred we got to end it  
Send it to a far place like space  
Never hesitate to support your fellow man  
Brother, sister, spouse or mate  
Take a lil' advice from me  
A true to heart M.C. who been encounterin' envy  
Overcoming da fake snakes & unfriendly  
Rememberin' these i da struggle  
We need to make a difference in da 21st Century  
Or itz trouble

Jealousy iz a mutha, envy is anotha  
What can we do? What'z da solution?  
(Repeat x2)
