(feat. N'Dea Davenport)

Reason  
Is there any reason  
Why my heart must now understand  
We had the fire so many times  
Changes like the season  
Convinces me  
That we've come to an end  
But your love was undescrivable

Woo ooh, woo ooh, woo ooh, woo ooh  
Woo ooh, woo ooh, woo ooh, woo ooh

And as I watch I see before my eyes  
The truth is my reality  
My emotions are high  
And I'm at the risk of falling again  
Right now everything's on the line

Being alone is not what I prefer  
But I've got to face this feeling  
With grace  
I will step aside  
But if you're in need,  
Holler and I'll be round  
Holler, holler, holler  
Holler, holler, holler

Please don't try  
To make me less than I am  
Let's not drag it out anymore  
With grace  
I will gladly remove myself  
With grace  
I'm all too willing  
'Cause being alone is not what I prefer  
But I've got to face this feeling  
With grace  
I will step aside  
But if you're in need  
Holler and I'll be round

With grace  
I will step aside  
But if you're in need  
Holler and I'll be round  
Holler, holler, holler  
Holler, holler, holler  
With grace  
I will step aside  
But if you're in need  
Holler and I'll be round  
But if you're in need  
Holler and I'll be round  
But if you're in need  
Holler and I'll be round
