"Final Home"

I traveled far to find you
Who knew you'd be so far away
I will stay now, love
This weary heart the only gift I bring you
This love I give to you, it won't stray

I could give you
The most delicious kisses on your face
You see, I need you to be addicted to me
I am calm now in the corners of his mouth
I am still now, I will not live without
I am pure now, safe inside my final home

I could give you
The most delicious kisses on your face
You see, I need you to be addicted to me
I am calm now in the corners of his mouth
I am still now, I will not live without
I am pure now, safe inside my final home

My home, my home, my home inside you
Safe inside my final home, my home inside you
