This is the United States-Coastguard,
United States-Coastguard,
We have spotted three cuban immigrants
On their way to Miami.
They are trying to make it to the U-S-A.
I hopped on the route to go to USA
With my dream and my cousin Pepe
I got a flashlight and a piece of bread
Don't worry, I'll be ok
Within 10 feet and it's real dark outside
In a distance Miami skyline
This is all so crazy
Can't let the coastguard take me

My stomach's turning and I'm feelin' kinda sea sick
To much pressure don't know if I could make it
Far away I hear the radio
And a chonga song was on
And a chonga song was on
And a chonga song was on!

I put my hands up
Swimmin' real fast
Headed for the choreline
90 miles away, 90 miles away
I put my hands up
Swimmin' real fast
Avoiding the coastguard
(Yeah yeah yayeah) I made it to the USA
(Yeah yeah yayeah) I made it to the USA!

I go to the club in my brand new suit
Everybody looking at me now
Look at this Cuban with a big old shain
And my chest hairs hangin' out
So many pretty mamas all around me
Definitely made it to Miama
'Cause all I see are stilettos
Ahora son marinaros

Now all the sexy mami's wanna hang all around me
'Cause they know I have a whole lot of money

Got a job on the radio
And I'm playing some people's songs
And I'm playing some people's songs
And I'm playing some people's songs!

I put my hands up
Swimmin' real fast
Headed for the choreline
90 miles away, 90 miles away
I put my hands up
Swimmin' real fast
Avoiding the coastguard
(Yeah yeah yayah) I made it to the USA
(Yeah yeah yayah) I made it to the USA!

O' yeah! I made it to America!
Fidel- kiss. . my. .AASSSS!!!
