There is something wrong and there is something right  
When you can take me by the hands and I will close my  
eyes

When you laid down with me you took the other side  
When you laid down with me you never slept that night

Are you working up to something, but you give me  
almost nothing  
Keep me helpless up to something on my knees

Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever be my, would you be my f\*cking  
boyfriend

Are you immature or is it that you're unkind  
To torture all the other girls, you keep me by your side  
Are you unsatisfied, you can't make up your mind  
When you can take me by the hand, then I will close my  
eyes

Are you working up to something, but you give me  
almost nothing  
Keep me helpless up to something on my knees

Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever be my, would you be my f\*cking  
boyfriend

I would be so winning so absolutely winning  
A guarantee in melody, a promise in the sky

Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever be my, would you be my f\*cking  
boyfriend

Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever be my, would you be my f\*cking  
boyfriend

Would you ever be my, would you be my f\*cking  
boyfriend  
(There is something wrong and there is something  
right)  
(When you can take me by the hands and I will close my  
eyes)  
Would you ever be my, would you be my f\*cking  
boyfriend  
(When you laid down with me you took the other side)  
(When you laid down with me you never slept that  
night)

Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever be my, would you be my f\*cking  
boyfriend  
Would you ever
