From the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feet

My beloved, oh my sweet, all the gifts you have given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours for as long, for as long as you will have me

Dearest one, I had a dream, I mouthed the words
The sound came out, I spoke to you in Japanese
Oh my love, I cannot see, I heard your name
I know at once there was no place I'd rather be
All at once there was no place that I would rather be

From the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feet

My beloved, oh my sweet, all the gifts you have given me
The patience and the peace, cherry blossoms and the candy
I am yours, I am yours, for as long, for as long as you will have me

I packed my bag, I'm on my way
I am prepared for any season, I am prepared to stay
Here is my heart, my beating heart
Oh, how I'm longing for this love affair to start
How I'm longing for this love affair to finally start

From the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your feet

My beloved, oh my sweet, all the gifts you have given

me

The patience and the peace, cherry blossoms and the
candy

I am yours, I am yours for as long, for as long as you
will have me

From the west to the east, I have flown to be near you
I have come all this way to be close, to be here with you
And now, all my heart I will lay down precisely at your
feet

My beloved, oh my sweet, all the gifts you have given
me

The patience and the peace, cherry blossoms and the
candy

I am yours, I am yours for as long, for as long as you
will have me

West to the east, all this way to be close, all my heart

My beloved, oh my sweet, peace

I am yours, I am yours
