Best off cruel intentions  
Bounding what they fail to mention  
No truth.  
All pretention raise your hand to give attention

You'd give it  
We'd take it  
You'd build it  
We'd break it  
You silently erase it  
You'd feel it  
We'd fake it

It's my red star (steal it)  
It's my red star (can't let go)  
It's my red star (conceal it)  
It's my red star  
Oh no...

Wasted education  
Celebrating imitation  
Misplaced admiration  
Speaking for a generation.

You'd give it  
We'd take it  
You'd build it  
We'd break it  
You silently erase it  
You'd feel it  
We fake it

It's my red star (steal it)  
It's my red star (can't let go)  
It's my red star (conceal it)  
It's my red star  
Oh no...
