Turn around
And look at what you see
In her face the mirror of your dreams

Make believe I'm everywhere
Hidden in the lines
Written on the pages
Is the answer to a neverending story

Reach the stars
Fly a fantasy
Dream a dream
And what you see will be

Rhymes that keep their secrets
Will unfold behind the clouds
There upon the rainbow
Is the answer to a neverending story

Show no fear
Or she may fade away
In your hands
The birth of a new day

Rhymes that keep their secrets
Will unfold behind the clouds
There upon the rainbow
Is the answer to a neverending story
