[Verse 1]

Another day without your smile
Another day just passes bye
But know i now how much it means
For you to stay right here with me
The time we spend apart will make our love grow
stronger
But it hurts so bad i can't take it any longer

[Chorus:]

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in everything you do
I wanna grow old with you

[Verse 2]

A thousand miles between us now
It cause's me to wonder how
Are love tonight remains so strong
It make's are risk right all along
The time we spend apart will make our love grow
stronger

But it hurts so bad i can't take it any longer

[Chorus:]

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in everything you do
I wanna grow old with you

[Verse 3]

Thing can come and go i know
But baby i believe
Somethings burning strong between us
Makes it clear to me

[Chrous:]

I wanna grow old with you
I wanna die lying in your arms
I wanna grow old with you
I wanna be looking in your eyes
I wanna be there for you
Sharing in everything you do
