#### Verse 2

Now I missed the train more than once in my life

Till the good conductor heard my momma's cry

Hades to glory in the blink of an eye

Hear me now hear me now while I testify

Heard the the whistle blow I felt a chill to the bone  
(woop)

Is what I heard and now I'm headed for home

Had a reclinable seat but I just had to stand

For the j all the way to the promise land

#### Chorus

All my people wanna ride say - wanna ride on the the j  
train (it's the j train)

You got your ticket in your hand say - wanna ride on the  
j train (destination)

All my people wanna ride say - wanna ride on the the j  
train (it's the j train)

Wanna ride on the j train - I gotta ticket to ride on the

Just grab that ticket come on and take a ride to the
