Bringing you the best in hip hop sounds from DJ Maj
(rated r) Rated R for religious

Flynn Ad...Flynn Add...ay my name is Maj from the
Diverse
You know the one who walks like his side hurts
I welcome you all to the BoogiRoot
A little something for your sugar tooth
For all the fellas and for all the mamas
For all my cousins in the land of lamas
His beat's hypnotic and repetitive
Just let it relax you like a sedative
I bless the God of the double covenant
He turned the water to the bubble bubble and
Blessed your boy with a really sick crew
Travel the world with a really big shoe
Nevertheless do my best to tickle your chest
Make you rest like koala bears kiss the eucalips
No worries no problems
Loose your boot strap let you feets clap
I'm transparent like a roll of saran wrap
So you can see the inner thoughts of this man in black
Flick your hoodie back boy give your uncle dap
You ain't too old for that I remember pamper rash
When hip hop was a tot no airplay
If you ain't rapping you ain't getting no airplay
From Norway to the planet of Venus
From street corners to the seats in arenas
Look pops (no hands) we done did it

Now turn it up so all my people can feel it
Turn it up so all my people can see the secret
Of the BoogiRoot is the grave empty come on

Turn it up so all my people can see the secret
Of the BoogiRoot is the grave empty

Aaaaah what up world (sup yall) DJ Maj
