You signed your name across the sky
You took my world and said goodbye
Tell me why
All happiness in vain
Oh you left me with this pain
Tell me why Tell me why

Tell me why (I gave you love babe, I gave you love
babe)
Oh you left me with this pain
Tell me why Tell me why

Remember tu y yo haciendo el amor
Onda a romantica onda passion
You told me you're the only one for me
But be sure love that you leave me please stay with me
Te crei te segi baby nunca te menti
Promesa que te di - promesa te compli
You better recognise just look into my eyes
Te vido no me mientas en la face no more lies
Creame listen ti a muy especial
Pensava sobre en ti nunca voy a olvidar
Las veces que saliamos - vacilavamos
Las veces que reiamos - de yo nos amavamos
Then you broke my heart in two
No saiva que hacer
What the fuck to do
Lleno de odio ahora estoy mujer
Just leave me alone
vivete con el

You signed your name across the sky
You took my world and said goodbye
Tell me why (I gave you love babe, I gave you love)
All happiness in vain
Oh you left me with this pain
Tell me why Tell me why

You signed your name across the sky
You took my world and said goodbye
Tell me why

All happiness in vain
Oh you left me with this pain
Tell me why Tell me why

Hablabas todo el tiempo de ser my wife
Be the mother of my kids and share my life
