I'm being followed by my shadow,  
He's been creeping around,  
Asking where I've been.

He keeps tapping on my shoulder,  
Telling me it's over,  
So where do I begin

These dark days are getting harder,  
I fear i'm treading water,  
So will I sink or swim  
Roll on, push a little further,  
I keep saying is this worth it,  
Or should I just give in  
I don't know.

I don't know which way I'm supposed to spin,  
In this circle.  
And I won't waste my time on your concern,  
'Till it's over.

I look back on a distant border,  
I fear I'm getting older,  
There's so much that I've missed.

Walk on, following a fate line,  
See if i can define where I came undone.

I don't know which way i'm supposed to spin,  
In this circle.  
And I won't waster my time on your concern,  
'Till it's over,  
And I will wait my turn,  
My time has come,  
This ain't over,  
And I can't wait no more,  
No sweet return,  
This is over.

So it is,  
No sweet return,  
So it is,

No sweet return,  
So it is,  
No sweet return,  
This is over.
