Verse 1:

I love it when you're desperate
I love it when you can't compete
I love it when you're desperate yeah yeah
You never make sense to me

Chorus:

So why do we compete for social gain?
Hey should I repeat myself again?
Why do we compete for social gain?
Hey should I repeat myself again?
Love

Verse 2:

I love it when you're breathless
I love it when you can't sit still
I love it when you're breathless yeah yeah
I hate it when you pop those pills

Chorus:

So why do we compete for social gain?
Hey should I repeat myself again?
Why do we compete for social gain?
Hey should I repeat myself again?
Love

Post Chorus:

You and I both know this will rot in my face
You and I both know this will rot in my face

Verse 3:

I love it when you're desperate
I love it when you can't compete
I love it when you're desperate
You never make sense to me

Chorus:

So why do we compete for social gain?
Hey should I repeat myself again?
Why do we compete for social gain?
Hey should I repeat myself again?

Love

Post Chorus:

You and I both know this will rot in my face

You and I both know this will rot in my face

Well this will not end, this will not end well

Well this will not end, this will not enough

This will not end well
