I wanna dance another day
for all of us that never had what it takes,
I wanna swim another mile
I've gotta know if this will be worth my while,
What a liar
What a thief
What a major fucking waste of my time.
I'm glad i know you.

And I don't know why I'm carful.

I wanna take another turn
I wanna taste a little sweetness in life.
And is it major is it minor
I don't know, I'm out of time I cant tell.
I'm glad i know you

And I don't know why I'm carful.

Hey I was so sick in school
remember me, man i was so sick in school.
I've got my medicine
I've got my medicine
I've got my medicine
I've got my medicine

hey mister man when will we fall
forget about all
forget about all

What a liar
What a thief
What a major fucking waste of my time
I'm glad i know you

What a liar
What a thief
What a major fucking waste of my time
I'm glad i know you

And i don't know why I'm carful.
