Ohoohowowohohhoo
I should made up callin you
You should make it all the trough
How can I found my self in trouble life
Is it just you and I
How could I met and you and I
Just it all just it all
You and I

Chorus:
Don't walk away I can't fly (2x)
Don't be behind (2x)
Don't walk away

Repeat first stanza
After repeating first stanza repeat chorus

Since you would come and love me
Do what I do for you
Take it all away
Don't walk away

Repeat chorus
