Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

The minute you walked through my door
I know this love is forever more
But then you told me all these lies
See the tears filling up my eyes

All I want, is a little piece of heaven
All I need, a little piece of heaven
But your gone

You taught me right from wrong
And told me always to be strong
But now I'm better off alone
I'm searching for a better home

All I want, is a little piece of heaven
All I need, a little piece of heaven
But your gone

Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

All I want, is a little piece of heaven
All I need, a little piece of heaven
All I want, is a little piece of heaven
All I need, a little piece of heaven
But your gone
