You were with me  
I was with you  
Every breathe that we took  
We knew the love was true  
But now you're sayin' you're gone  
I'll be all alone  
For days and nights so cold  
Every minute passing  
I know I can't let you go

Everybody, everybody still just looking for a higher love  
Everybody stayin' all late girl, trying to find the right  
girl  
Without your groove I'll lose  
So, baby don't make me choose  
Cause your body's tellin' me  
Tellin' me what to do

(x2)  
A higher love  
Can't get enough

Now I'm beggin' you, please  
Please talk to me  
It can't be that hard  
Lets take it,  
Take it from the start  
Open your eyes  
And then realize  
I was made for you, you for me  
And no part of my heart  
Yeah, it's suppose to be

Everybody, everybody still just looking for a higher love  
Everybody stayin' all late girl, trying to find the right  
girl  
But without your groove I'll lose  
So, baby don't make me choose  
Cause your body's tellin' me  
Tellin' me what to do

(x2)  
A higher love  
Can't get enough
