Yeah nigga (yeah nigga)
Man this trappin' shit easy nigga, I could do this all day
(all day)
Nigga nigga don't play anythang like that, fight us
gettin dead like that.
Nigga just like that? nigga just like that. You can die
like that, nigga just like that.

[Chorus: x2]

I put thirties on the truck (just like dat)
18's in my trunk (just like dat)
Got a p a dat kush bought it (just like dat)
Bought to bomb out the whole club (just like dat)

[Project Pat:]

I got the s5 in the benz like that, 110k didn't even break
a sweat.
Made a stash spot big enough for my katech
Trick'em double o seven of the projects,
Got that O.J Kush and we smoke it all day (all day, all
day)
You know the biz don't play,
Crush down those tiny pills nigga then we snort it
It got my dick hard I hit that pussy and it farted,
And I got a play cemetary in my closet
So many minks they don't even think I bought it,
So many hoes niggas think that I colda,
See house has a different name they don't think I
holdin

[Chorus x2]

See I'm the king like that,
You betta quit thinking like that,
See ya even strong enough to be a queen like that
See nigga we sang it like that
And then we brang it like that
See we the ones that bring that whores and they came
like that
See we can bang it like that
I make them beats like that

Rock the club, get a check, hit the bank like that (woo
eee)
See I mixtape it like that
Up out the trunk like that
Get a deal, get a mill, buy a birds with that
See ya we bang it like that
My dudes trap it like that
See and I save a kii for me I'm a little bit addict like that
See I'm like tainted with that
My nose painted like that
I hit it up and lit it up and then I drain like that

[Chorus x2]
