I feed them pussy like she stole something  
Neva let her hold something  
Put this dick off in her mouth claiming that she owe  
something  
Off the waam I told you hoe bitch you ain't nothing but  
shit to me  
A good dick suck to me  
A fuck to me  
But now you history  
You get my dick harder than most  
And I have been from coast to coast  
I love the way you massage my balls  
And stick my dick clean down your throat  
She lived to take it up the ass  
Sometimes even comes off in it  
And when I'm about to nut  
She takes it out swallows never spits  
She rubs her on clit while you hit  
Rubs her on titts  
A bisexual on top of that can beat it with a stick  
The type of girl you prayed for  
The type of girl sum paid for  
But done uped out the pocket  
The knockin she's a groupie hoe  
And that's what I'm loving  
That's what I'm liking  
A fan of DJ Paul datz with some fucking and some  
diking  
And I'll never diss you on a song  
That there girl you can trust  
But if you bullshit me hoe  
I'm make your ass famous

[Chorus: repeat 4X]

Still getting my dick, still getting my dick  
Still getting my still getting my dick sucked  
from the hoe that love to fuck

Good

The chewin that you be doing I can't deny  
You's a pro on the dick did I say good I mean you fire  
Loves to fuck in the car

Cheap motelers  
It's whatever  
She aint got no preference  
But I could showll be a reference  
Never danced in the clubs  
She claim she too shy  
But that's a lie  
If I ever heard a fucking lie  
That bitch ain't Cleo but she got some real good  
conversation  
That's how she hold it down cause conversation rule  
the nation  
Come meet you anywhere  
Plane, trains, or automobiles  
She from out of town but I dammly think I met her on  
Beal  
She be in all the spots  
Love to hang in ATL  
She got a Rolex watch  
But that junk is fake as hell  
A nigga in the feds maine they think she missing  
But she aint missing  
She just been hanging with some pimping  
She got a blow habit  
That's what I'm really loving  
She come on herself and her pussy be bout hot as an  
oven

[Chorus: Repeat 2x]

Still getting my dick, still getting my dick  
Still getting my still getting my dick sucked  
from the hoe that love to fuck
