"

Thought you had
All the answers
To rest your heart upon
But something happens
You don't see it coming, no
You can't stop yourself

Now your out there swimming
In the deep
In the deep

Life keeps tumbling
Your heart in circles
'Til you let go
'Til you shed your pride
And climb to heaven
And you throw yourself off

Now your out there swimming
In the deep
In the deep
In the deep
In the deep

Now your out there swimming
Now your out there swimming
In the deep
In the deep
In the deep
In the deep

(If you want to be given everything, give everything
up)"
