Now in my lyrics I kick this shit that the critics debate to  
But I still create the shit that the brothers relate to  
Cause it's simple, but I'm no simp, I'm lettin you have it  
To the temple leavin a scar MUCH bigger than a,  
pimple  
You want the rubber from a gangsta boot to your grill?  
Come take a ride with me and witness the thrill  
Of an ass-whuppin, issued by the brothers in the khaki  
pants  
Some think I'm too light to fight, so then they'll win but I  
grin  
When I sail to your motherfuckin chin (MMM)  
So suckers keep walkin until the po-po is talkin  
In plain simple English no wait in plain simple slang, no  
jivin

Fuckin with me is more lethal than drinkin and drivin  
Or try to figure the flow I deliver  
Punk it makes you shiver when you think I'm takin two to  
your liver  
The D-to-the-E-to-the-motherfuckin-A with a vengeance  
A side of Quik that you ain't never experiencin  
I'm stutter steppin with crap on the low and I flow well  
Intensifyin with every line, cause I show and tell  
My backup is backin, never leavin me lackin  
With Double or Nothin, KK, D, and AMG and we're  
stackin  
Up sales for motherfuckers just like you  
(For a punk motherfucker with a punk motherfuckin  
crew!)  
Yo I know you peeped that you just can't creep  
It's too steep so take a leap because we roll too  
motherfuckin deep

"(How deep?) Deeper than Atlantis"  
"Niggaz can deal with that shit"  
So I'm rollin DEEP deep  
"Deeper than Atlantis"  
"Man that's bad " " naw that's good!"

You see we rollin deep, cause a nigga playin the  
backseat

We won't get beat, so run up and get swepted  
By a young motherfuckin ass nut  
We whup your ass and make your momma feel it  
And watch you just fold up  
It's Tha D in the back with the strap  
Down for some shit with a bitch in my lap  
Punk motherfuckers like to play the brave role  
But I don't give a fuck, you can still get T-rolled  
It ain't like you never been checked befo'  
You stupid nigga, your bitch, your hoe  
The motherfuckers rollin the back streets  
Not givin a fuck, because we roll too motherfuckin  
deep

"(How deep?)"

Deeper than the crack in your momma's cock  
Too deep for a nigga, now I can't stop  
Cause niggaz'll roll deep, deep in the middle of the  
street  
So deep we roll onto next week  
Two's and fo's, that nigga K throws heavy blows  
Heavy enough to knock the snot out of niggaz nose  
Cause niggaz ain't nothin but head and shoulders  
Nigga, we should be rollin this  
And I'm a roll, cause I'm doin my own thing  
(Yeah, motherfuck a posse, we roll with a gang,  
niggaz)  
For those who wanna sleep, time to creep  
Straight up fools, cause niggaz is rollin deep

"(How deep?) Deeper than Atlantis"

"Niggaz can deal with that shit"

So I'm rollin DEEP deep

"Deeper than Atlantis"

"Man that's bad " " naw that's good!"

Fuck a one-time jack, I eenie meenie miney wet the  
hoes  
Back in the alley I be rollin on the pimpin mode  
Unfadeable, cause I'm D-double-E-P  
AMG be catchin niggaz slippin constantly  
And hoes wanna hoe, with a niggerole like so  
And after I trick, yo see you later bitch  
And niggaz think they know what they talkin bout,  
whatchu sayin?  
It was your bitch, that I was fuckin layin and playin  
So, if she was fine don't be denyin that I did her  
Trust your data nigga, and let my dick get with her  
Because another motherfuckin gangster's strollin yo  
In the 9-0, niggerole, this is how I'm rollin

"(How deep?) Deeper than Atlantis"  
"Niggaz can deal with that shit"  
So I'm rollin DEEP deep  
"Deeper than Atlantis"  
"Man that's bad " " naw that's good!"
