[KK of 2nd II None]

Yo, you can't fuck wit a nigga, I'm holdin my piece  
I'm bailin down to Kren's with my Khakis creased  
A lick on my neck and a bitch on my dick-so  
I put a beeper card on the bitch front window  
I'm that nigga who can service well  
Then bloody up the sheets at a raunchy motel  
Yeah I'm a treat ya, cus I'm a feed ya  
Take you to McDonalds then I leave ya

[Gangsta D]

Live, via satellite on Rolls ?? we got my boy DJ Quik in  
the house and he's  
gonna take you on a mission and show you how the  
real jackers jack

[DJ Quik]

And now I'm takin off my belt so I can sag  
I keep the 44 Mag in a duffle bag  
And in the G-ride I'm rollin in the rain  
And don't let me catch you slippin on the turning lane  
I creep up to your quarter panel and I pause  
We 'bout to fold up to your nose and make you shit  
your drawers  
Now I don't want your money or your hoes  
No, All I want is your muthafuckin Renzo's  
Now, let's take a ride down to Kren's  
I'm rollin with a muthafucka with do do in his pants  
And a nigga like you can get me work  
Because I know you got them birdies that don't chirp

Aww, too bad you didn't make it to your .9  
So forget about your fento cus it's mine  
And to you niggas that be trippin watch your trunk and  
don't be slippin  
Cus the Quik will take your hoofty everytime,  
muthafucka  
[Gangsta D]  
Once again it's the muthafuckin D  
You wanna be my bitch, well you gotta pay a fee  
You wanna get quoted, get your ass in the circle  
We'll whoop your ass nigga till your eye turn purple  
(Ayo Crawl)  
[Hi-C]  
My name is the Crawl  
The C-R-A-W-F-O-R-D  
The poet Hi-C  
I got your fat pregnant bitch in my waterbed  
And I'm about to bust a nut on your little baby's head  
The shit you be talking, I label it "caca"  
Move your fat ass, and pass the vodka  
Pour half a cup, fill it up with socko  
Bitches tryin trip, you might get socked ho  
"I love you though" that's what I'm screamin  
Just to get some pussy I'll be fiendin  
Boyfriend always talking 'bout doggystyle  
Wait a while, I can do it froggystyle  
(Stop that darn cussing, my children are listening)  
Eat a dick, ya bitch
