Yea

I rough Voco, for my locos
My nigga Hi-C, 2nd and None, AMG

And the Q-U the new
You knew I could flip it to any particular groove
I came okay now, check it if you want to but it's all in
vain
Because my game is still the same

Perfection, fill me as I fill you in
I never rode a pony but I'm genuine
So give me just a little bit of nicotine
And a sticky green and I'm a hit it with the icky cream

Booyah, I hit her on the neck with a whip
And made the hooker jump without a safety net
Hit the ground break her back
Get up and do it again because she can really take a
shot on the chin

Caffeine, cappuccino chase it with some no-doz
Up all night like the moon glows, searching for new
hoes
They really want to follow my lead
Indeed and give a nigga just what I need

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

The Q U I K is the name I spell
124 beats per minute I rock well because I'm tight to
the second power
When I hit the liquor, and I don't serve emcees
I'm serve dickas

Bang bang boogie when I hit a shot of loogie
And the Booger try to put it on me
But I get that moves to show her
I flaunt it like Noah, I strut backside like a Boa

Constrictor when I dicked her down
Game feel just like a circus clown when I work this
Jack of all trades, master to few
Test these test these 1, 2

Gettin' down with my nigga AM to the G in the PM
Hookers wanna see him
Big cat callin', Superfat ballin'
Indeed give us what we need

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

Faster then the concord on board, call me the pilot
Baby better let me know, she's excited
In the testerosa, sippin' memosas
Girls want me to sign posters

International with the Steelo
Got hookers from Cancoun to Reo
Fire, ignite it but we don't even try it
You can't, but it got freaks, have to hide it

Hit the weed up, then turn the speed up
The booty from the backs the only way I eat up
Quicker than Jackie Chan

I search off the Goochi like a rubber band

You want to be more than the average man
But the hoe needs more a job in a man and a
retirement plan

So baby don't cry the blues
'Cause I know a gang of hoes in your shoes

'Cause I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast

When I'm on speed
I'm faster than most
And I can rock a party from coast to coast
